SUBJECTS.

Acid, Carbolic, Japanese 562
Ester of Betanaphthol. The Salicylic 564
Free, and Oxychloride Solution, The Estimation of (Romijn)..... 245
Hydrocyanic, On the Determination of Small Quantities of (Viehœver and Johns) 261, 328
Hypochlorous, Antiseptic Action of, and Its Application to Wound Treatment 435
Picric, Strength of, as an Antiseptic 565
Aconite Preparation, A Comparison of the Guinea-pig and Cat Methods for the Physiological Standardization of (Ford and Wine)..... 489
Tincture of, A Comparison of the Result Secured by the Use of Chemical and Physiological Assay Methods for (Haskell and Zirkle). 537
Adalin 563
Advanced Instruction in Pharmacy (Remington) 326
Agfa 563
Agricultural Alcohol 292
Algal Stalactites in Bermuda 40
Alkaloidal Content of Stramonium Leaves 196
Antiseptic Action of Hypochlorous Acid and Its Application to Wound Treatment 435

Apomorphine, A Delicate Reaction for 564
Arsenic Antidote (England) 59
Ash Determination on Digitalis, Some 567
Atom, Modern Views on the Constitution of the (Eve) 183

Balsam of Peru, The Assay of 561
Beef and Iron, Wine of (Beringer) 406
Belladonna and Hyoscyamus (Farwell) 98
Belladonna and Hyoscyamus (Newcomb) 1
Beta-naphthol Reaction, New 143
The Salicylic Acid Ester of 564
Brunn, A Pilgrimage to (Shull) 69

Camphor 563
Natural and Synthetic (Houseman) 49
Oil in Oil of Turpentine 562
Cane Sugar in Syrups, Inversion of (Mayer) 410
Chaulmoogra Oil, The Botanical Source, Physical Characters, and Chemical Constituents of (Power) 493
The Examination of (Chattopadhyay) 473
Chemistry, Some American Contributions to Industrial (Sadtler) 465
Chemical Constitution and Physiological Action 536
Cineol in Oil of Eucalyptus, Estimation of (Turner and Holmes) 101
Coal-tar Dyestuff Industry 530
Cod-liver Oil, Emulsion of, A Comparison of the Value of Various Flavorings for (Beringer, Jr.) 115
Coffee, Some Effects on the Storage (Doolittle and Wright) 524
Cultivation of Medicinal Plants (Kilmer) 343, 421, 527

Determination of Small Quantities of Hydrocyanic Acid (Viehœver and Johns) 261, 328
Device for the Rapid Sale of Nipples, A (Beringer, Jr.) 377
Digitalis, Remarks on (Alpers) 210
Some Ash Determinations on 567
Some Ash Determination on (Newcomb and Haynes) 112
Digosid 563
Disinfectant, A New 566
Disinfection. What Disinfectant is the Most Generally Applicable for Clinical, Surgical, and Sanitary Purposes? (Hamilton) 315
Drug Addicts, The Number and Kind of (Wilbert) 415
Intoxication. An Economic Waste and a Menace to Public Health (Wilbert) 136
Plants not Likely to Succeed, Inexperienced Growers of 42
Not Usually Profitable 328
Store, An Historic (England) 259
Drugs, Sweet-tasting, Concerning Two (Kobert) (Translated by S. Bertha Mueller) 555
The Pharmacy of Useful (Wilbert) 373
and Dyestuffs, The Utilization of Our Own Resources in Producing (Jacobs) 300
Unofficial, Ash Content of Some (Newcomb) 113
Druggist and Veterinarian, Relation Between (Rogers) 250
as Seen by the Governor of Minnesota, The 141
Dyestuff Industry, Coal-tar 530
and Drugs, The Utilization of Our Own Resources in Producing (Jacobs) 300

Enzymes Digestive 143
The Function of: Products of Living Cells that Affect the Chemical

Operations of Living Matter but do not Become a Part of the Final Reaction (Prescott) 63
Eucalyptus, Estimation of Cineol in Oil of (Turner and Holmes) 101

Fat, The Estimation of (Trowbridge and Rosenthal) 309
Formaldehyde Fumigation 564
Substitute for Potassium Permanganate to Liberate the Gas from a Water Solution (Dixon) 62
Friedmann Treatment for Tuberculosis 76

Galyl 566
Glucose and Its Uses, Commercial (Rolfe) 269
Good Soil for Colon Bacilli 44
Government Subsidies for Chemical Manufacturers 565

Harrison Bill, A Synopsis of H. R. No. 6282 (Beringer) 131
Heroin, The Rapid Determination of Small Quantities of (Miller) 248
Hookworm Disease. The Use of Oil of Chenopodium in Its Treatment (Motter) 35
Hydrocarbon, Blue, On the, Occurring in Some Essential Oils (Sherndal). 157
Hyoscyamus and Belladonna (Farwell) 98
and Belladonna (Newcomb) 1

Iodine 563

Magnesium Glycerophosphate in Tetanus 565
Malt in Infant-feeding, Dextrinized (LeBoutillier) 162
Materia Medica and Pharmacy, Quarterly Review on the Advances in (Thum) 559
Medicinal Plants, The Cultivation of (Kilmer) 343, 421
Medicine, Modern, and Its Social Responsibilities (Green) 227, 280
Medley, A (Beringer, Jr.) 413
Micro-sections, The Cutting of (Crosbie) 198
Myricaceæ of the Eastern United States, The Comparative Morphology, Taxonomy, and Distribution of the (Youngken) 391

National Association of Boards of Pharmacy 336
Nipples, A Device for the Rapid Sale of (Beringer, Jr.) 377
Nitrogen, Oxidation of, and How Cheap Nitrates Would Revolutionize Our Economic Life (Strong) 29
